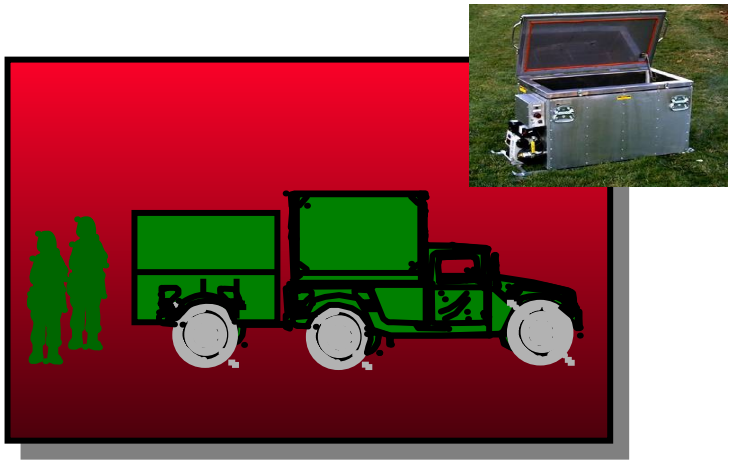
- Subsistence
- Clothing and Individual Equipment
- Field Services
- Petroleum and Water

G-4 Sustainment, Troop Support Division IPT Activities

- DOD Food Policy Council
- DOD Food Nutrition Research and Engineering Bo
- Joint Service Operational Ration Forum



Role as Resource Provider

- The G-4 chairs the Sustaining Program Evaluation Group (PEG) the PEG is the gateway to the POM process
- Subsistence resources are found in three PEGs:
  - Sustaining PEG funds
    - ✓ Army Center of Excellence, Subsistence at Fort Lee
    - ✓ DoD Combat Feeding Program at Natick the Army
    - ✓ Food Management Information System (AFMIS)
  - Installations PEG funds
    - ✓ TISAs
    - ✓ Installation Dining Facilities, and equipment/décor items for MCA contract dining facilities
  - Manning PEG funds
    - ✓ subsistence – garrison meals, operational rations, and augmentation rations

“The New Team Member”
Installation Management Agency

HQDA (G-4) / MACOMs / IMA / ACES

- Work garrison feeding program issues
- Execute the Army Food Program

•G-4 / ACES retain policy responsibility for both garrison and tactical/field feeding

Key Policy Revisions

Change 1 to AR 30-22

- Publication of “rules of the road” for all organizations having shared food program responsibilities
- Connelly Awards Program Revisions
- Contingency Operations to include bottled water

Conclusions

- Army Food Program will continue to transform and improve as we work together

- Army G-4 looks to each and every one of you to be leaders and help us identify solutions to systemic issues in both garrison and tactical/field feeding

We Can’t Do It Without YO
